

NB NARI Sponsorship Opportunities

Sponsors gain recognition from the association's members and guests for supporting the cause of helping NARI North Bay members be EPIC (Ethical, Professional, Informed, and Connected) contractors. Importantly, sponsor dollars are the engine that powers the association's ability to promote the NARI brand, so that the public learns that the best contractor for a home remodeling or construction project is a NARI contractor.

Below are current sponsorship opportunities. NARI North Bay is open to hearing other creative sponsorship ideas you might have, such as hosting specific breakfast, lunch, dinner, and educational events.
